

A network diagram on an orange background. It consists of several circular nodes connected by lines, representing a network. The nodes contain the following icons: a car, a battery, a surveillance camera, a smartphone, a shopping cart, a speaker, and a smartphone. This visual metaphor represents the interconnected nature of Internet of Things (IoT) devices.

# Services market to \$1 TRILLION

# 40,731 passwords

An illustration of a hooded figure wearing a black mask, sitting at a desk and looking at a laptop screen. The laptop screen displays a login interface with fields for 'ADMIN' and 'VeR8'. A magnifying glass is held over the password field, symbolizing data theft or hacking. The background is blue, and the word 'stolen' is written vertically in large blue letters on the right side.
