

# Investing in tomorrow.

By developing capable, next-generation technology talent today.

Cisco's technology and career skills program is our largest social investment, based on our thought leadership in digital transformation.

**FREE.** Our courses are free to nonprofit high schools, colleges, libraries, military and veteran groups, and many non-traditional learning environments. We offer:

- innovative, globally-consistent curriculum
- ongoing alignment with new technology
- preparation for industry certifications

The Global Knowledge [2019 IT Skills & Salary Report](#) says that IT compensation is the highest it's ever been. The average salary in the USA is \$110,000.

**Workforce development and reskilling** increase regional economic strength. WEF's [Future of Jobs Report](#) estimates that **54%** of all employees will require significant reskilling by 2022.
