

Investing in tomorrow.

By developing capable, next-generation technology talent today.

Cisco's technology and career skills program is our largest social investment, based on our thought leadership in digital transformation.

FREE. Our courses are free to nonprofit high schools, colleges, libraries, military and veteran groups, and many non-traditional learning environments. We offer:

- innovative, globally-consistent curriculum
- ongoing alignment with new technology
- preparation for industry certifications

The Global Knowledge [2019 IT Skills & Salary Report](#) says that IT compensation is the highest it's ever been. The average salary in the USA is \$110,000.

Workforce development and reskilling

increase regional economic strength. WEF's [Future of Jobs Report](#) estimates that **54%** of all employees will require significant reskilling by 2022.

United States

1,723,613 Students since inception
 172,134 Current students / 15% female
 1,850 Education partners
\$814.2 million Cisco's In-Kind* Investment

Missouri

34,186 Students since inception
 3,863 Current students / 14% female
 50 Education partners
\$15.4 million Cisco's In-Kind* Investment

Students not only learn technology, they learn on a team, helping others, discovering their strengths. - Engineer / Cisco instructor

Networking Academy data from 7/31/2019

Global Outcomes

94% of our students got a better job or entered a higher ed level with a Cisco certification.
Don't let your students miss out.

Global Skills Gap

3 million = shortage of cybersecurity professionals globally. The skills gap in North America is half a million.
